## PROFILE

I am a passionate and enthusiastic student of Electronics and Communication Engineering at Khulna University, currently in my 3rd year. Alongside my academic pursuits, I am a budding web designer and developer, eager to craft user-friendly and visually appealing digital experiences.

With a strong foundation in problem-solving and creativity, I enjoy bringing ideas to life through clean and responsive designs. As I continue to learn and grow, I aim to merge my technical expertise and design skills to contribute meaningfully to the world of technology and innovation.

I am committed to continuous improvement and excited to explore opportunities that will help me expand my skills and make a lasting impact in the field of web development.
